

# Support

Our ambitious program relies on the gifts of individuals as well as grants from foundations and other organisations.

The donations of our *Friends* and *Patrons* directly support the residents as they develop their practices in the unique surroundings of the Mahler & LeWitt Studios. As a small scale organisation we are able to offer you a close and engaged relationship with all of our activities. Every year we open the Studios for the Spoleto Festival and invite our supporters to share the extraordinary atmosphere that your donations afford the residents.

In recognition of your support we offer a number of benefits.

*My residency afforded me the time and concentration I needed to absorb myself in a new film project. The inspiring environment, particularly the beautiful nature, and the support I received from the studios staff and my co-residents, encouraged me to develop new approaches to my work. It was a completely unique experience.*

*It's a rare thing to be given the opportunity to think, make or write without constraint.*
